Mr. Tschurin Sobchakov
47 North Third Street
Paterson, New Jersey

Dear Mr. Sobchakov:

A thousand apologies for the long delay in my correspondence. By an administrative error, the letter which was destined for you was filed and not sent. It is now too old so I am substituting this one.

I am pleased to inform you that the results of the interviews and tests which you underwent have been excellent. They served to confirm the fact, which seemed clear to me, that you are well qualified, both in experience and personality for the kind of work we have in mind.

Your name has been submitted for the needed clearance. It will require several months to complete this process. Do not feel that this procedure is in any way prejudicial to you. It is mandatory for any person who expects to be employed in this country.

As I told you on the telephone, there is no guarantee of your employment yet. I think you will agree that it is important, if you are to be employed at all, that you be employed on a permanent basis. However, whether that is possible is unclear as yet. I will inform you further and I hope, favorably, on this matter soon.

Meanwhile, I expect to be coming to New York in the near future and will let you know the exact date. It will be good to see you again.

Yours sincerely,

c/c
